### Grace N' Grit™ Red Shrub Rose

Probably no other flower evokes so many shared memories of love, beauty, and celebration than a rose—which is why we love to give them to Mom. Grace N' Grit™ Red is one of a series of shrub roses that are fuss-free in the garden and stunning when cut for vases.

**CARE:** Thrives in enriched, loamy, well-drained soil. Water deeply and regularly the first growing season to establish an extensive root system; avoid overhead watering. Feed before new growth begins in spring; repeat midseason. Mulch to keep roots cool. To promote vigorous new growth, prune in late winter or early spring after the threat of frost is gone.

YOU BRING PEACE, JOY, AND BEAUTY  
WHEREVER YOU GO.

Thank you for sharing and inspiring love in so many.
